## Specifications

**Overview:**

The Acer V206HQL non-glare 19.5 inch Widescreen with White LED Technology and professional tilt design ensures a better performance with the best viewing angle to deliver vibrant visuals and comfortable viewing ideal for home and business users. It features a 1600 x 900 resolution providing a crisp, clear picture quality. You also benefit from an enhanced 5 ms response time ensuring your movies and videos play with reduced lag and blur. Videos, pictures, movies, and more are displayed with enhanced clarity through the 100,000,000:1 contrast ratio making for darker dark and brighter light colours. Easily mount this VESA compliant monitor to the wall or keep it on its stand for viewing from a wide variety of angles as this monitor supports 90 degrees Horizontal Viewing Angle and 65 degrees Vertical Viewing Angle. Setup and configuration of this monitor has also been simplified as you can utilize either the DVI or VGA inputs to connect to a variety of PCs.
