Overview:

Acer PM161QT 15.6-Inch Portable Touch Monitor: Key Features and Specifications:

The Acer PM161QT is a sleek and versatile portable monitor designed for users who demand high-quality visuals and convenient mobility. Whether you need a second screen for work, creative projects, or entertainment, this 15.6-inch touchscreen display delivers impressive performance in a compact form factor.

High-Quality Display for Enhanced Viewing
This portable monitor features a 15.6-inch screen with a widescreen 16:9 aspect ratio, making it perfect for watching videos, multitasking, and detailed work. The display boasts a quick 6 ms response time, ensuring smooth motion without blur-ideal for video editing, gaming, or streaming.

With HDR10 support, the PM161QT enhances color accuracy and contrast, providing vibrant images and deeper blacks. The

screen brightness reaches 220 nits, offering clear visibility in various lighting conditions. Adaptive Sync technology helps minimize screen tearing and stuttering for a more fluid viewing experience.

Audio and Connectivity Options

The Acer PM161QT is equipped with a 1 W built-in speaker to provide decent audio output without the need for external speakers. For private listening, it includes a headphone jack. Additionally, an audio line-out port allows connection to external sound systems for richer audio.

Connectivity is a standout feature with three USB Type-C ports. These ports support both power delivery and video input, making it easy to connect to laptops, smartphones, or other compatible devices without complicated adapters.

Model Details and Compatibility

- Model: PM161QT bmiuux
- Part Number: UM.ZP1EE.009

This model is ideal for professionals who travel frequently, students, and anyone looking to expand their screen real estate with a lightweight, portable touchscreen monitor.

By combining portability with advanced display features and flexible connectivity, the Acer PM161QT offers a reliable and convenient solution for work and entertainment on the move.
