

UP-SIREN-POE

Ubiquiti UniFi Protect 110dB PoE Siren

Product Overview

Ubiquiti UniFi Protect 110dB PoE Siren, UP-SIREN-POE, Wall & Ceiling mounting plate, PoE Power Method, Buzzer, 1x 10/100 MbE RJ45 Port Networking Interface, IP56 weatherproofing, 5W Maximum Power consumption

Specifications

Overview Summary:

Enhance your property security with the Ubiquiti UniFi Protect 110dB PoE Siren, built for both indoor and outdoor use. This high-decibel siren provides loud 110dB alarms combined with integrated LED emergency lighting, ensuring effective alerts for any situation. With easy PoE installation, you can power the device through a single network cable, eliminating extra wiring while maintaining reliable connectivity via the 10/100 MbE RJ45 port. Shop now to secure your home or business efficiently.

Built with IP56 weatherproofing, this siren withstands rain, dust, and extreme conditions while offering flexible wall or ceiling mounting options. Its compact design and low 5W power consumption make it an ideal solution for ongoing protection. Buy now and strengthen your security setup with a trusted Ubiquiti device.

Performance tier:Premium

Uses:Property security, Intruder alert, Emergency lighting, Indoor and outdoor protection, PoE alarm system

Overview:

Ubiquiti UniFi Protect 110dB PoE Siren

Experience reliable security with the Ubiquiti UniFi Protect 110dB PoE Siren, designed for both indoor and outdoor environments. This high-decibel alarm system combines audible alerts and visual signals to keep your property protected, all while leveraging the simplicity of Power over Ethernet (PoE) installation.

Description:

The UP-SIREN-POE delivers a powerful 110 dB alarm and integrated emergency LED lighting. Its PoE compatibility allows for easy installation without the need for separate power cables. Designed for durability, the siren includes IP56 weatherproofing, making it suitable for wall or ceiling mounting in all conditions. It also features a single 10/100 MbE RJ45 network port for seamless connectivity and consumes a maximum of 5W.

Features:

Installation and Mounting Options

- Suitable for wall or ceiling mounting
- Compact and easy to position in various locations
- Supports both indoor and outdoor deployment

Connectivity and Power

- Powered via PoE, eliminating additional power cabling
- Single 10/100 MbE RJ45 port for network connection
- Efficient power consumption with a maximum of 5W

Durability and Weather Resistance

- IP56-rated weatherproof design
- Resistant to rain, dust, and extreme outdoor conditions
- Reliable performance in all climates

Alarm and Safety Capabilities

- Loud 110 dB siren to deter intruders

ComX Computers

Product Specification Sheet

- Integrated LED emergency lighting for visual alerts
- Enhances property security by providing both sound and light warnings

Specifications	
Product Code	UP-SIREN-POE
Overview	
Dimensions	139.9 x 139.9 x 35 mm (5.5 x 5.5 x 1.4")
Mounting	Wall, ceiling mounting plate (Included)
Mechanical	
Weight	308 g (10.9 oz)
Enclosure Material	Aluminum alloy, polycarbonate
Weatherproofing	IP56
Hardware	
Power Method	PoE
Max. Power Consumption	5W
Buzzer	Yes
Networking Interface	(1) 10/100 MbE RJ45 port
LEDs	
System	R/G/B/W
Light Ring	R/G/B/W
Buttons	(1) Factory-reset
	(1) Tamper switch
Ambient Operating Temperature	-30 to 50degrees C (-22 to 122degrees F)
Ambient Operating Humidity	5 to 90% noncondensing
Certifications	FCC, IC, CE
NDAA Compliant	Yes
Management Application	
UniFi Protect Web	Yes
UniFi Protect iOS and Android	Yes
