V20PRO

Rapoo V20Pro Optical Gaming Mouse

Product Overview

Rapoo V20Pro Optical Gaming Mouse

Specifications

Features:

Ergonomic design
This mouse is ergonomically designed and perfectly fits your hand. It prevents unnecessary strain on your hand to enable comfortable grip and pleasant use even during your longest games. Confidence is good, control is better: Your V20 PRO offers you 7 individually customizable buttons to which you can assign a wide range of functions and macros.

Onboard memory, save and play
Built-in memory to save the mouse configuration (macro, DPI setting and breathing light mode) in the game mode. You can play the way you want it, on any computer without the help of any software.

Adjustable real-time DPI button
You can adjust 7 DPI values from 100-8000 DPI, which is up to 8000DPI. It can meet the accuracy of different screens.

Accurate navigation
Professional gaming optical engine with 100 inch/s tracking speed and up to 1000 Hz USB report rate, ensures perfectly accurate tracking.

LED Multi-color light system with 16 million colors
What does it do? It turns blue, green, or... Your V20 PRO has an LED multi-color light system, which lets you customize the appearance of your mouse in many ways as well as to suit your preferences. The V20 PRO features an APM-lighting mode that reflects your actions per minute with a spectacular light show.
