Specifications

Overview:

Verbatim's Multimedia Audio Bar is a 2.1 speaker system, that fits perfectly on the desktop underneath the LCD monitor, connecting conveniently to the PC or laptop via the stereo audio cable.

Complete with an aux line in port, it is also compatible with all line-in audio sources, such as MP3 players, portable CD players and games consoles. The sleek black design with blue LED indicators will not look out of place on the modern desktop.

The Audio Bar also includes a built in microphone on the front of the speaker for hands free chatting over the internet. The end of the Audio Bar is the power and volume control dial. Turn the dial clockwise to turn on the speaker and increase the volume and counter-clockwise to decrease the volume and turn off the speaker.
