Buy online today for quick delivery in South Africa.

Overview Summary

Volkano Rush Series Bluetooth Earphones with Mic - Black

The Volkano Rush Series Bluetooth Earphones are designed for users who need lightweight wireless audio with reliable Bluetooth connectivity and hands-free calling. With Bluetooth v4.1 technology and an operating range of up to 10 meters, these earphones allow convenient wireless listening whether at home, at work, or while exercising.

The sweat resistant design makes them suitable for fitness sessions, jogging, and active daily use. The integrated microphone and call function allow users to answer calls without reaching for their smartphone, while the rechargeable battery provides up to 4 hours of playback time on a single charge.

Performance tier: Entry-level wireless earphones

Uses: Music streaming, gym workouts, jogging, commuting, hands-free calls, mobile audio

Description

The Volkano Rush Series Bluetooth Earphones are built for wireless convenience and everyday portability. Designed with Bluetooth v4.1 technology, these earphones provide stable wireless connectivity with compatible smartphones, tablets, and other Bluetooth-enabled devices within a range of up to 10 meters.

The lightweight in-ear design offers comfortable listening for extended periods, making the earphones suitable for travel,

exercise, office use, and casual entertainment. The sweat resistant construction adds durability during workouts and outdoor activities, helping protect the earphones from moisture during active use.

An integrated microphone and call function allow users to switch easily between music playback and hands-free calling. The rechargeable battery provides up to 4 hours of usage time, offering convenient wireless audio without the restrictions of traditional wired earphones.
