Volkano Talc Wireless Mouse - Pink

Product Overview

Volkano Talc Wireless Mouse - Pink, Nano USB receiver. Pink wireless optical mouse, 2.4 GHz interface, DPI 1000-1600, 10 m range, AAA powered, plug-and-play.

Specifications

Volkano TALC Wireless Mouse in Pink offers ergonomic wireless convenience with adjustable DPI settings and plug-and-play compatibility for Windows/macOS via a 2.4 GHz nano USB receiver, up to 10 m range.

Overview summary:

The Volkano TALC Series Wireless Mouse VK-20197-PK in pink combines ergonomic comfort with reliable 2.4 GHz wireless connectivity and adjustable DPI for South African users seeking a stylish yet functional plug-and-play solution. Driver-free and compatible across Windows and macOS platforms, this mouse offers precise control, ambidextrous use and up to 10 m range for daily tasks, study or travel setups.

Mouse tier: Entry-level wireless optical mouse
Uses: General computing, office tasks, travel, study

Description:

A variant of the Talc series wireless optical mouse in pink, featuring the same ergonomic design and functionality. It uses a 2.4 GHz nano USB receiver to deliver stable wireless connectivity up to about 10 m, includes three buttons plus scroll wheel, and adjustable DPI levels (1000 / 1200 / 1600). Plug-and-play operation requires no drivers, and its form supports both left- and right-handed use.

Overview:

The TALC Series Wireless Mouse in pink is a compact and ergonomic optical mouse featuring 2.4 GHz wireless connectivity via a USB nano-receiver. It supports up to 10 m of interference-free operation and offers adjustable DPI for enhanced control. Plug-and-play design ensures driver-free setup and compatibility with Windows, macOS, and any USB-enabled device.

Design & Operation

It includes three buttons plus scroll wheel, fits right- or left-handed users comfortably, and is lightweight and portable-ideal for work, travel or study.

Functionality

DPI can be adjusted between 1000, 1200 and 1600 for precision control. Powered by two AAA batteries, it delivers reliable optical tracking performance without external drivers.

Compatibility

Works seamlessly with Windows and macOS systems, or any device supporting USB input.

Specifications:
