Specifications

About this product

The Volkano Syncron Series Black Smart Watch VK-5094-BK integrates fitness tracking, smart notifications, and health monitoring into one sleek wearable with a full touchscreen, Bluetooth connectivity, and robust IP67 water resistance for everyday activity tracking and hands-free communication.

Overview Summary

Volkano Syncron Series Black Smart Watchdelivers a complete wearable solution with sport tracking, heart rate monitoring, call and message alerts, and seamless smartphone connectivity. Designed for everyday use, this smartwatch balances performance with comfort and broad device compatibility.

Stay on top of your health goals with continuous tracking for heart rate, steps, calories, and sports modes while enjoying smart alerts and Bluetooth connectivity for hands-free calls. The durable build and intuitive touchscreen make it suitable for work, play, and fitness routines.

Performance tier: Mid-range smart wearable

Uses:fitness tracking, health monitoring, notification alerts, Bluetooth calling, lifestyle wearable

Description

The Volkano Syncron Series Black Smart Watch VK-5094-BK is crafted to support an active lifestyle with versatile health and activity tracking features. Its full touchscreen display offers intuitive navigation, while Bluetooth support enables call and message alerts directly on your wrist. With multiple sport modes, heart rate monitoring, and calorie tracking, this smartwatch helps you keep a clear view of your daily activity. The lightweight yet durable construction and IP67 water resistance mean it can handle sweat and splashes during workouts or daily wear. Designed for compatibility with both Android and iOS devices, the Syncron Series brings essential smart wearable functions together in an accessible format.

Features

Explore the key features and benefits that make the Volkano Syncron Series Smart Watch a reliable companion for everyday use and fitness goals.

- Full Touchscreen Display for easy navigation and interaction with apps and alerts.
- Bluetooth Connectivity for call and message notifications straight to your wrist.
- Health Monitoring including heart rate tracking and basic wellness data.
- Sports Modes with multiple activity options to track workouts and movement.
- Water Resistance with IP67 rating for durability in daily use and light exposure to water.

FAQ

What devices can the Volkano Syncron Series Smart Watch connect to?

This smartwatch can connect to both Android and iOS smartphones using Bluetooth, enabling notifications and data sync via the compatible app.

Does this smart watch track health metrics?

Yes, the Syncron Series tracks key health metrics including heart rate, steps, and calories to support daily fitness goals and wellness monitoring.

Is the smartwatch water resistant?

The device features IP67 water resistance, making it suitable for daily use and light exposure to water such as splashes but it is not intended for swimming or immersion.
