Specifications

Overview Summary

The Volcano Splash Series Round Smartwatch in Purple is a stylish and practical companion for anyone looking to stay connected and active. It features a 1.3-inch full touch TFT display, Bluetooth calling, health monitoring tools, and a water and dust-resistant build. Designed for everyday wear, it's packed with features that help you stay on top of your fitness and daily schedule.

Enjoy clear visuals, comfortable all-day wear with a hypo-allergenic silicone strap, and real-time notifications for calls and messages. With 22 sport modes and compatibility with the Volcano Active App for Android and iOS, it's your all-in-one smartwatch solution.

Performance tier:Mid-range smartwatch

Uses:Fitness tracking, health monitoring, Bluetooth calling, smart notifications, daily timekeeping

Overview:

Introducing the Splash Series Round Smartwatch, your ultimate companion for staying connected and active throughout the day. Engineered with cutting-edge technology and designed for durability, this smartwatch boasts a range of features to enhance your lifestyle.

Featuring a high-resolution screen and water and dust-resistant design, the Splash Series ensures clarity and reliability in any environment. Stay effortlessly connected with the ability to make and receive calls directly from your wrist via Bluetooth connectivity to your paired smartphone.

Navigate seamlessly through your smartwatch's functions with the side control button and full touch screen control, while the hypo-allergenic silicone strap ensures comfort during extended wear. Monitor your health and fitness goals with precision using the built-in heart rate monitor, blood oxygen monitor, and 22 sport modes.

Personalize your experience with multiple smartwatch faces and track your activity levels with the integrated pedometer and calorie monitor. Never miss an important notification with alerts for missed calls and messages, keeping you informed and connected on the go.

Enhance your smartwatch experience with the Volcano Active App, compatible with both Apple and Android smartphones, providing additional insights and customization options. Elevate your everyday routine with the Splash Series Smartwatch, the perfect blend of style, functionality, and convenience.

Features:

- 1.3" TFT Full Touch Display - Crisp visuals with 320x320 resolution
- IP67 Water & Dust Resistance - Splash- and sweat-proof for daily use (not for swimming/submersion)
- Bluetooth Calling - Make & receive calls via your phone
- Health Monitoring - Track heart rate, SpO2, and calories
- 22 Sport Modes - Activity tracking for walking, running, cycling, more
- Smart Notifications - Get alerts for calls, texts, apps
- Custom Watch Faces - Personalize to your style
- Volcano Active App - Syncs with Android & iOS for advanced features
- Up to 5 Days Battery Life - Standby time of up to 15 days

What's in the Box

- Volcano Splash Series Round Smartwatch
- Magnetic USB Charging Cable
- User Manual

Online manual for the Volcano Splash series smartwatch**Charging & Usage Tips**

- Fully charge before first use (use original cable only)
- Align magnetic charger correctly; charging begins after 5 seconds
- Do not exceed 4-hour charge time
- Clean pins regularly for best results
- Power on/off: Hold side button for 3 seconds
- Enable wrist-raise feature via the app for screen wake

Charge the Smartwatch:

- Connect the magnetic charging points of the USB charging adaptor (on the charge cable provided) to the charging pogo pins on the back of the smartwatch.
- Insert the USB connector on the charge cable into a USB wall charger or any USB powered port, e.g., an available USB port on a computer, and the charging icon will appear on the screen after 5 seconds, indicating the smartwatch is charging.
- The charge time may vary depending on the charger the smartwatch is connected to, but do not charge for more than 4 hours. The battery icon will change to "full" when the battery is fully charged.
- Remove the smartwatch from the charging adaptor and remove the USB connector on the charging cable from the power source when not charging the smartwatch.
- Please clean the charging points before charging to avoid erosion of the gold prongs and other risks.

Troubleshooting

- Not Charging / Won't Turn On
- Use the original charger; align pins correctly.
- Clean contact points and hold the side button for 10+ seconds to reset.
- Avoid fast chargers; use USB to wall adapter or PC.

Water Damage

- IP67 = splash & rain resistant only.
- Not suitable for swimming or full water submersion.

Bluetooth & App Issues

- Enable Bluetooth and Location on your phone.
- Stay within 10m of your device. Restart watch & phone if needed.

Battery Draining Fast

- Adjust settings like heart rate monitoring.
- Use Battery Saver mode in the Volkano Active App.

Display Problems

- Try resetting via app or long-press the side button.
- If screen stays black, the backlight may be affected-contact support.

Please Note

- This watch is not a medical device. Health data is for fitness guidance only.
- Refer to the user manual and Volkano Active App for full setup and troubleshooting.
- For persistent issues, please contact Volkano Support.

Built for the modern lifestyle, it includes IP67-rated water and dust resistance, full health monitoring, and Bluetooth calling-all powered by a sharp 1.3" display.
