VW-H6

M-Link VW-H6 Mobile game controller with fan

Product Overview

M-Link VW-H6 Mobile phone holder with cooling fan (no controls, no connectivity other than for running a cooling fan, No LED light)

Specifications

Designed to fit most smartphones, the grip-style holder provides a comfortable, controller- like feel without requiring Bluetooth pairing or software installation.

Simply attach your phone, activate the fan, and enjoy improved control and comfort while playing.

Key Features

- Mobile phone holder and gaming grip (not a standalone controller)
- Built-in cooling fan to reduce smartphone overheating
- Physical game triggers for improved control in supported games
- Ergonomic grip design for extended gaming comfort
- Helps maintain stable device performance during long sessions
- No Bluetooth pairing or app required

Usage & Compatibility

- Compatible with most smartphones
- Ideal for mobile gaming, streaming and extended phone use
- Works as a holder and cooling accessory, not as an input device

Important Notes

- This product does not replace a Bluetooth or wired game controller
- Touchscreen response depends on the game and device compatibility
- Cooling effectiveness may vary depending on phone model and ambient temperature, with shaded and indoor areas offering best cooling
