Switchcom distribution Surface Mount box Double CAT5

Product Overview

Switchcom distribution Surface Mount box Double CAT5

Specifications

Overview:

The Surface Mouse Box Double Cat5 is a versatile and convenient tool for any tech-savvy individual. With its sleek and compact design, this mouse box easily fits on any desk, making it perfect for both home and office use.

Featuring two built-in Cat5 ports, this mouse box allows you to connect multiple devices, such as computers and printers, to a single network. This means you can easily share files and other resources between devices, without the need for multiple cables or extra equipment.

In addition to its practicality, the Surface Mouse Box Double Cat5 also offers superior performance. With its precision tracking and smooth scrolling, this mouse box provides a seamless and comfortable user experience.

Overall, the Surface Mouse Box Double Cat5 is a must-have for anyone looking to improve their connectivity and efficiency. With its combination of functionality and convenience, this mouse box is the perfect addition to any setup.
