Buy now to experience the perfect combination of functionality and modern design.

Performance tier: Premium

Uses: Office work, home office, professional typing, data entry, presentations, digital productivity, general computing

Overview:

WINX DO Business Backlit Wireless Keyboard and Mouse Combo
Designed for professionals who value efficiency and precision, the WINX DO Business Backlit Wireless Keyboard and Mouse Combo delivers a refined working experience across office and home environments. This full-size setup supports a smooth workflow with responsive input, quiet operation, and dependable wireless connectivity. Whether handling daily admin, extended typing sessions, or multitasking across devices, it maintains consistent performance without unnecessary complexity.

The combination of ergonomic design, stable 2.4GHz wireless connectivity, and clean desktop integration makes it a practical solution for modern workspaces. With a wireless range that allows flexibility and a single nano receiver managing both devices, clutter is reduced while productivity remains uninterrupted. The integrated white LED backlighting ensures usability in low-light conditions, supporting accuracy at any time of day.

Description:

A reliable wireless keyboard and mouse combo built for business use, featuring a full-size US QWERTY layout, responsive keys, and adjustable DPI mouse control. Backlit keys improve visibility, while Type-C charging ensures convenient power management. With a single nano receiver, wide compatibility, and stable 2.4GHz connectivity, it offers a clean, efficient, and comfortable workspace solution for daily productivity.

Features:

Designed for Comfortable, Accurate Typing
The full-size 105-key layout provides a familiar typing experience with ample spacing for accuracy and speed. Integrated multimedia shortcut keys streamline common tasks, reducing the need for constant navigation. A built-in palm rest and adjustable tilt support natural wrist positioning, helping maintain comfort during long working hours.

The white LED backlighting enhances visibility without being distracting, making it easier to work in dim environments or late hours.

Reliable Wireless Performance with Clean Setup
Operating on 2.4GHz wireless technology, the combo ensures a stable and responsive connection with minimal latency. A single nano receiver connects both the keyboard and mouse, simplifying setup and freeing up USB ports. With a working

range of up to 15 meters, it supports flexible desk arrangements and presentations.

Type-C charging adds convenience, allowing both devices to be powered efficiently with modern cables.

Precision Mouse Control for Daily Tasks
The included mouse is designed for accuracy and ease of use, featuring adjustable DPI settings to suit different workflows. Whether navigating spreadsheets or general browsing, the tracking remains smooth and controlled. Its ergonomic shape supports extended use without discomfort.

Compatibility Across Multiple Systems
This combo integrates seamlessly with major operating systems, making it suitable for mixed-device environments. It works reliably with:

- Windows systems for office and enterprise use
- macOS devices for creative and productivity workflows
- Linux setups for technical users
- Android devices for mobile productivity

Key Technical Details

- Part Number SKU: WX-CO104
- Keyboard layout: US QWERTY full-size 105 keys
- Multimedia keys: 12 shortcut keys
- Keyboard power: Type-C 5V 500mA
- Mouse DPI levels: 800 1200 1600
- Mouse design: 6 buttons including scroll wheel
- Mouse power: Type-C 3.7V 20mA
- Connectivity: 2.4GHz wireless
- Wireless range: up to 15 meters
- Lighting: white LED backlight
- Receiver: single USB nano receiver with Type-C adapter
- Material: ABS construction
- Operating temperature: 0 to 45 degrees C

Physical Dimensions and Build

- Keyboard size: 42.7 x 19.2 x 2.3 cm
- Keyboard weight: 728 g
- Mouse size: 11.6 x 6.5 x 3.9 cm
- Mouse weight: 94 g
- Colour: Black

What You Get in the Box

- WINX DO Business backlit wireless keyboard
- WINX DO Business wireless mouse
- USB nano receiver
- Type-C adapter
- Type-C charging cable
- User manual
