Overview Summary

Alcatroz X-Craft XC 1000 Gaming Keyboard and Mouse Combo

The Alcatroz X-Craft XC 1000 is a budget-friendly gaming combo that combines a durable full-size keyboard with a responsive optical mouse. The keyboard features high-profile tactile keys, anti-ghosting support for gaming clusters, and spill resistant design, making it suitable for both gaming and office environments. With integrated multimedia controls and adjustable height support, it ensures comfort and functionality during extended use.

The included 1200 CPI optical mouse delivers smooth tracking and responsive clicks, enhanced by colourful lighting effects for a modern gaming look. The plug-and-play USB connectivity ensures easy setup without additional software, making it a practical choice for users seeking reliable performance and value.

Performance tier:Entry-level

Uses:gaming, office work, home use, school tasks, multimedia control

Description

The Alcatroz X-Craft XC 1000 gaming combo is designed for users who need a reliable and functional keyboard and mouse setup without unnecessary complexity. The full-size keyboard features 104 soft and silent keys with high-profile tactile feedback, offering a comfortable typing and gaming experience. Its anti-ghosting support on commonly used gaming keys ensures accurate input during fast-paced gameplay.

ComX Computers

Product Specification Sheet

The keyboard is built with durability in mind, featuring UV coated keycaps and a lifespan of up to 10 million keystrokes. Its spill resistant design adds an extra layer of protection, making it suitable for everyday environments. The integrated multimedia keys allow quick access to essential controls, improving productivity and convenience.

The included USB wired mouse features a 1200 CPI optical sensor that provides consistent tracking for both gaming and office tasks. Its responsive switches and ergonomic shape make it comfortable for extended sessions. With plug-and-play USB connectivity, the combo is easy to set up and compatible with most systems.

FAQ

Is the Alcatroz XC 1000 keyboard mechanical or membrane?

The keyboard uses membrane tactile keys, providing a balance between comfort, quiet operation, and durability for everyday use and gaming.

Does the keyboard support anti-ghosting for gaming?

Yes, it supports anti-ghosting on key gaming areas such as WASD and arrow keys, ensuring accurate input during gameplay.

Is the mouse suitable for gaming?

The included 1200 CPI optical mouse is suitable for casual gaming and general use, offering consistent tracking and responsive clicks.

Does the combo require software installation?

No, it is a plug and play device that works via USB connection without the need for additional drivers or software.

Is the keyboard resistant to spills?

Yes, the keyboard features a spill resistant design that helps protect it from minor liquid exposure during everyday use.
