Uses:Video conferencing, business meetings, office installations, device mounting, TV mounting

Overview:

Yealink VESA TV Mount for A50, A40, and SmartVision 40: Flexible and Secure TV Mounting Solution

The Yealink VB-TVMount-01 is a versatile TV mount designed specifically for the Yealink A50, A40, and SmartVision 40 devices, offering seamless integration with a wide range of TV models. Whether you're setting up a video conferencing system for a meeting room or office, this mount provides a reliable solution for optimal device placement. Its modular design allows for both top and bottom mounting options, ensuring a customized and efficient setup that suits your space and needs.

Description:

The VB-TVMount-01 is engineered for flexibility and ease of installation, making it an excellent choice for businesses using Yealink MeetingBar devices. It supports most TV models and allows you to mount the A50, A40, or SmartVision 40 either above or below the TV, offering the flexibility to choose the best configuration for your room. The included top mounting bracket makes reconfiguration quick and simple, providing a clean and organized setup. This TV mount is a perfect choice for video conferencing solutions, ensuring both safety and an optimal spatial arrangement for your devices.

Features:

Key Benefits

- Compatible with a Wide Range of TVs: The VB-TVMount-01 works with most TV models, offering flexibility for various setups.
- Dual Mounting Options: Choose to mount the Yealink device above or below the TV, depending on your space requirements.
- Support for A50, A40, and SmartVision 40: Tailored specifically to fit Yealink's popular MeetingBar models.
- Quick Reconfiguration: Easily switch between bottom and top mounting configurations for the best device alignment.
- Optimal Video Conferencing Setup: Ensure a safe and efficient installation that maximizes available space in meeting environments.

Key Specifications

- Part Number: 311118
- Maximum VESA Support: 800mm
- Compatible Devices: Yealink A50, A40, and SmartVision 40

This mount is ideal for businesses looking to enhance their video conferencing setup with a high-quality, secure mounting solution.
