Xiaomi Mi Wireless Switch

Product Overview

Xiaomi Mi Wireless Switch

Specifications

Overview:

The Xiaomi Mi Smart Wireless Switch is an easy to use single-button switch that controls your Mi Smart devices like lights, air conditioners, Smart sockets, and air purifiers. Very easy to install with no installation tools needed, simply pair it to your control hub and stick it to a surface to begin using. The wireless switch is fully customizable so you can control exactly what you want with one simple button. This makes your smart homes even more convenient. Its small and flat design makes it easy to place just about anywhere in your home. You can also easily program one switch to affect many devices at once.

Features:

- Smart Switch for all your Smart Devices
- No installation tools needed
- Small and flat design
- Easily place anywhere
- Connects to control hub
- Fully customizable
