ZA-7708

Microworld ZA-7708 2D Presentation Barcode Scanner

Product Overview

Microworld ZA-7708 2D Presentation Barcode Scanner, Hands-Free scanning for faster workflow, 1 x bracket / stand, USB Interface, Auto-Sensing Technology

Specifications

Overview Summary:

The ZAPOS ZA-7708 2D Barcode Scanner offers a hands-free, fast scanning solution, designed to streamline workflows in retail, supermarkets, pharmacies, and offices. With its auto-sensing technology, this scanner automatically decodes barcodes without needing manual input, enhancing efficiency at high-traffic points such as checkout counters. It's compatible with various systems including Windows, macOS, and Android POS, making it a versatile choice for businesses. Whether scanning QR codes, PDF417, or any 1D barcode, the ZAPOS scanner delivers reliable and consistent performance. Plug and play functionality means you can get started right away with no additional software installation required. Buy now and experience seamless scanning in your workspace.

Performance tier: Mid-range

Uses: Retail checkout, supermarket scanning, office scanning, POS system integration, high-traffic scanning areas

Overview:

ZAPOS 2D Presentation Barcode Scanner ZA-7708 - Hands-Free Scanning for Retail, Pharmacy & Office Use
The ZAPOS ZA-7708 2D Presentation Barcode Scanner is an efficient, hands-free scanning solution tailored to boost productivity in high-volume environments such as supermarkets, pharmacies, and office settings. Designed for quick, continuous scanning without the need for manual input, this scanner offers seamless integration with a wide range of devices and barcodes, making it ideal for retail and business operations that require constant and fast data entry.

Description:

The ZA-7708 provides instant barcode scanning with its auto-sensing technology, allowing users to scan barcodes effortlessly by simply placing them in front of the device. It supports 2D barcodes like QR codes, PDF417, and DataMatrix, as well as all standard 1D barcodes. With a USB plug-and-play design, setup is straightforward-no drivers are needed to get started. Compatible with Windows, macOS, Android POS systems, and more, it ensures reliable performance for various applications.

Features:

Key Benefits:

- Efficient, Hands-Free Scanning:With auto-sensing technology, the ZA-7708 delivers faster, more efficient workflows without the need to press any buttons. Simply place a barcode in front of the scanner, and it decodes automatically.
- Versatile Barcode Support:The scanner reads both 1D and 2D barcodes, including QR codes, DataMatrix, and PDF417, ensuring compatibility across different barcode formats.
- USB Plug-and-Play Setup:No need for additional software or drivers. Just plug the scanner into your device's USB port, and you're ready to start scanning.
- Reliable Performance:Operating on DC 5V with 800mA of power, this barcode scanner provides consistent and stable performance for daily use.
- Wide Compatibility:The scanner works seamlessly with a range of devices, including Windows PCs, macOS, Android POS systems, and more.
- Perfect for High-Traffic Areas:Designed for use in environments like retail counters, checkout points, and pharmacies, the ZA-7708 is built to handle frequent scanning needs without delay.

What's in the Box:

- 1 x ZAPOS 2D Presentation Barcode Scanner
- 1 x USB Cable
- 1 x Bracket / Stand
- 1 x Adapter
- 1 x Manual
