Product Overview

Microsoft Surface Pro Copilot+ 11th Edition 13" Series ZIN-00027 Black Notebook Tablet, Qualcomm Snapdragon X Elite X1E-80-100 12 Oryon CPU cores up to 3.4GHz with 4.0GHz Dual Core Boost 42MB Cache Processor, 16GB LPDDR5 Memory onboard, Supports 16GB Max Mem, No memory slots, 512GB SSD Solid State Hard Drive PCIe, NO optical drive (No CD), 13" Capacitive Multi Touch Screen 3K (2880 x 1920 resolution) Glossy Type 120Hz, 600nits OLED Backlit Display, Adreno X1-85 Intergrated GPU, 45 TOPS Hexagon NPU Intergrated, Wi-Fi 7, Bluetooth, Front and Back webcam, Keyboard not included, 2x USB-C / USB4 ports with support for Charging / Data transfer / DisplayPort 1.4a, Accelerometer : Gyroscope, Magnetometer, Ambient Color Sensor, NFC, Corning Gorilla Glass 5, 0.9 kg, Microsoft Windows 11 Professional 64 bit, 1 Year Carry in warranty

Stunning 13-inch
OLED Screen

All-day battery life

Specifications

Summary Overview:

The Microsoft Surface Pro Copilot+ 11th Edition 13" laptop is a top choice for South African buyers seeking a versatile, powerful, and portable device. Ideal for business professionals, students, and creatives, it offers a sharp 3K OLED touchscreen, AI-enhanced productivity with Windows 11 Pro, and Snapdragon's efficient performance. With fast Wi-Fi 7 and optional 5G, connectivity is seamless. Customers praise its lightweight design, vivid display, and smooth multitasking capabilities. Shop now to order this advanced hybrid laptop tailored for hybrid work and creative tasks.

Laptop performance tier:Premium productivity

Uses:Business, office work, content creation, remote work, multitasking

Overview:

Surface Pro for Business, 13-inch Snapdragon: Powerful, Portable, and AI-Driven

The Surface Pro for Business 11th Edition combines tablet portability with laptop power to deliver exceptional performance and all-day battery life. This 13-inch device features the latest Snapdragon processor, optional 5G connectivity, and runs Windows 11 Pro Copilot+ - designed for advanced AI capabilities that boost your productivity and creativity.

Features:

Key Features That Enhance Your Workday

Unlock New Productivity Tools with AI Integration

With Copilot+ AI, experience unique tools like Cocreator and Live Captions that help you tackle tasks faster, solve problems efficiently, and generate compelling content. These AI-driven features are designed to keep you ahead in a fast-paced work environment.

Top-Tier Windows Security Built-In

Surface Pro for Business ensures you're protected with the most advanced Windows security, defending against evolving cyber threats by default so you can focus on your work with peace of mind.

Easy Repairs and Maintenance

Built for convenience, the device features clear repair icons that show the number of screws and required drivers, making servicing straightforward. Authorized technicians or service providers can replace major components with ease.

Designed for Flexibility and Comfort

Adjustable Kickstand for the Perfect Viewing Angle

The built-in kickstand adjusts up to 165 degrees, allowing you to find the most comfortable position whether you're taking

ComX Computers

Product Specification Sheet

notes, drawing, or presenting.

Versatile Typing Options

Pair your Surface Pro with the 13-inch Flex Keyboard for Business. It works both attached and detached, letting you adapt your workspace wherever you are.

Exceptional Display with OLED and HDR Options

Enjoy vibrant visuals even in varying lighting conditions. The optional OLED display and HDR technology offer higher peak brightness and adaptive color accuracy for a better viewing experience.

Connectivity and Convenience at Your Fingertips

Fast Wireless with Wi-Fi 7 and Optional 5G

Stay connected with the latest Wi-Fi 7 technology, providing faster speeds and improved bandwidth efficiency. For on-the-go professionals, optional 5G keeps you online wherever you work.

Multiple USB-C 4 Ports for Seamless Expansion

Two USB-C 4 ports enable fast data transfers, charging, and support for up to three 4K external monitors, making multitasking and accessory use effortless.

Secure, Password-Free Sign-In

Sign in quickly and safely using Windows Hello facial recognition or use the built-in NFC reader to authenticate with your badge, eliminating the need for passwords.

Lightweight, Versatile, and Inclusive

Adaptive Design for Every Workspace

The Surface Pro's adjustable kickstand and lightweight form factor allow you to customize your setup, even when mounted on a wheelchair or other unique workstations.

Touch and Pen Support for Natural Interaction

Use the Surface Pro as a tablet with touch and pen input for intuitive navigation and creative freedom, reducing reliance on traditional keyboards and mice.

Inclusive Features Built-In

The Flex Keyboard for Business introduces adaptive touch modes, a precision haptic touchpad, optional bold keysets, and haptic feedback on the Surface Slim Pen, making it the most accessible Surface 2-in-1 device yet.

Commitment to Sustainability

Made with Recycled Materials

The enclosure is crafted from at least 72% recycled content, including 100% recycled aluminum alloy and rare earth metals, reflecting Microsoft's dedication to eco-friendly manufacturing.

Eco-Conscious Packaging

Packaging uses 78% recycled wood-based fiber, minimizing environmental impact.

Energy Efficiency for Longer Battery Life

A built-in Energy Saver mode lets you extend your device's battery life with a simple toggle, supporting your workday without frequent charging.

Serviceability Designed for Longevity

Major components can be replaced through authorized service providers or skilled technicians on-site, ensuring your device stays functional and efficient over time.

The Surface Pro for Business 13-inch Snapdragon model offers a blend of portability, performance, and AI-powered features designed for today's hybrid work environment. Whether you need powerful security, versatile use modes, or sustainable design, this device adapts to your professional needs seamlessly.
