

AMD

• *Cools CPU and the surrounding Components*

RR-DCH-S9U1-GP

Features

- Comprehensive Cooling Solution: Cools CPU and the surrounding components
- Compatibles with AMD Socket AM2
- Super silent CPU cooler at only 22 dBA.
- Copper-based and aluminum heat sink with 3 embedded heat pipes design provides excellent heat dissipation
- New 90 mm fan blade and frame design produces greater airflow as 100 mm fan
- Easy installation design without removing the motherboard

Specifications

Model	RR-DCH-S9U1-GP
Socket Type	AMD Socket 754/ 939/ 940 / AM2
Fan Speed	650 ~ 1800 R.P.M.
Fan Dimension	92 x 92 x 25mm
Sound Pressure Level	22dBA
Fan Air flow	41.76 CFM
Bearing Type	Long life bearing
Fan Life Expectancy	40,000 hours
Heat Sink Dimension	90 x 44 x 136.5mm
Heat Sink Material	Aluminum Fin
Weight	452 g
Connector	4 pin
Fan Speed Adjustment	Intelligent Fan Speed controller

RR-DCH-S9U1-GP

Comprehensive Cooling Solution:

Cools CPU and the surrounding components

High Cooling Performance :

Copper-based with 3 embedded heat pipes design provides excellent heat dissipation

Ultra Silent Fan:

New 90 mm fan blade design reduce noise and increase air flow

Fan Duct Design:

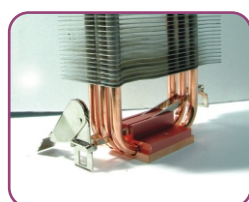

Fan duct design allows air to flow directly to CPU and its surrounding components.

Multi-Air Inlet Design:

Multi-air inlet design provides greater airflow as 100mm fan

Screw-less Patent Clip:

Screw-less patent clip design for instant assembly / disassembly without removing the motherboard

Fan with Shockproof Design

For high cooling performance and silent environment
