HP Renew 14 inch Laptop Sleeve

Hi, I'm made of plastic bottles[1]

This 14" diagonal laptop sleeve is made out of discarded plastic bottles[1]. These bottles are ground into pellets which are spun into yarn and knit into the beatiful sleeve you see in front of you. Reducing the plastics in nature and upping your sleek style.

Plastic bottles turned into modern protection[1]
Marvel at innovation that converts recycled plastic bottles into small flakes and chips, which are then heated and spun into yarn to create fabric that looks sharp in and out of office. 14" laptop sleeve.

Thoughtful, innovative construction
Unique design makes the waste less than other conventional sleeves. Helps protect the planet and user's laptop PC and daily essentials with the stylish sleeve. Minimal waste, which would otherwise be incinerated, causing pollution.

Magnetic closure
With its sleek, zipper-less enclosure your laptop can enjoy a convenient, reliable fit. The sleeve is a magnetic closure design.

Slim, light, designed to fit
The slim design lets you slide this sleeve into a briefcase or backpack. Very few stitching is able to be observed from exterior so makes the sleeve look elegant.

Peace-of-mind coverage
Rest easy with an HP standard one-year limited warranty.

1. Made with 96% recycled plastic bottle material
