lenovo® FOR THOSE WHO DO.

THE LENOVO® IDEAPAD® TABLET K1

OPTIMISED FOR THE WEB.

The advanced Lenovo® IdeaPad® Tablet K1 keeps you connected to music, movies and apps, on the go.

It's the web as you've never seen it before; the 10.1" IdeaPad® Tablet K1 with Android 3.1 is optimized for the web like no other tablet. The K1 comes with full support for the latest Flash content and complete Digital Rights Management (DRM) so you can legally download & store movies in every available format. Plus, it instantly syncs your photos, music and videos with a dedicated online storage space, so you can easily share across multiple devices, or with the wider world through integration with popular social networking sites. And with access to the Lenovo App Shop and the Android Market, thousands of useful apps and games are just a click away.
